Dedicated Duck Hunters,

Many of you are wondering – what happen to MacBride Realty? Here is an update:

I have decided to continue Frank MacBride's legacy of selling duck clubs and duck club memberships with Prudential Dunnigan Real Estate here in Sacramento.

Why Dunnigan Real Estate? Dick Dunnigan, the original owner, had been a friend of Frank's for 60 + years and actually began his real estate career with Frank MacBride.

Since the closure of the MacBride Realty office last October, Bruce MacBride facilitated my move to Dunnigan Real Estate and I am very excited to continue the work with a company that has a solid reputation like MacBride Realty.

If you are in the market of buying, I am certain we can find a club or membership that will be suitable for you.

If you are in the market of selling your membership now is the time to get it done. We have recently had a demand on memberships – and they sold.

Sincerely,
